« Leather and liquorice,
crushed strawberry - soft fruit
- sweet and rich mouthfeel.
Clean finish and quite a heady
rich palate. Sweet fruit,
enjoyable and accessible ».

JSI WINE RATINGS

« At once rich and elegant,
this is great Gigondas with
so much depth and energy.
Stunning forest-berry
aromas, also a slew of spices
and stacks of fine tannins.
Fabulously silky finish. From
organically grown grapes ».

« The 2022 Gigondas Badass sports a
racy comic on the label. Made from
certified organic Grenache and
Syrah, the latter variety takes the
lead here, with wild gamey, earthy
and spice box aromatics. Jammy red
fruits add charm and contrast. A
beguiling Gigondas, this pushes the
limits on flamboyance. Although,
concentrated and refined, there is a
touch of heat on the savory finish ».

GIGONDAS
BADASS

This Gigondas is a real punch in the face. A beast of balance, gourmandise, and freshness. It couldn't be further from the appellation's traditional wines.

Menthol tangles with thyme, rosemary, and sage, which are happily wedded to dark chocolate and redcurrant.

Outstanding, one-of-a-kind, a total ruffian, powerful but with a devastating elegance. At the crossroads of Deadpool and Black Widow. An explosive mix!
